The College has been a member of the Association for many years and the inclusion of its graduate program among the listings for other state universities and private colleges is the result of three years of development, self analysis and visitations by association teams.

The College granted 11 masters' degrees in the 1956-57 year and 13 during the 1957-58 year. There are four candidates for masters' degrees in the May commencement.

## LITTLE MAN ON CAMPUS

—SHE'D MAKE YA SWELL' BLIND DATE! ASK WORTHAL—I FIXED HIM UP WITH HER EARLIER THIS EVENING.

## Honor Is a Treasure . . .

"Before honour is humility," Proverbs, 18:12. Honor is sought by various people in varying ways. Some seek it through riches and fame, but true honor is achieved through the virtues of humility, fortitude, and self-sacrifice. Having courage to strive forward, yet being kind to others who are also striving toward a better life, is characteristic of an honorable person.

Honors assembly, to be held May 20, is given to honor deserving groups and individuals on the campus. It is hoped that these outstanding students, not forgetting that humility comes before honor, will be inspired in a way that will encourage them to do even better work in their future endeavors and enable them to inspire others as honor brings prestige and influence.

"Honor is like an island, rugged and without a beach; once we have left it, we can never return," wrote a seventeenth century author. Honor should be a treasured possession of every student on the campus.

—James Holmes

# 'Cats Prepare for MIAA Conference Meets

## MIAA Meets in Tennis, Track To Be Held at Rolla on May 8

Bearcat teams in tennis and track are preparing for the MIAA Conference Meet to be held at Rolla School of Mines at Rolla on Friday, May 8. Other conference teams participating will be Springfield, Kirksville, Cape Girardeau, Warrensburg, and Rolla.

Dr. Frank Grube has directed the tennis team to a 7-1 record so far this season. They have five shut-outs on their record, those being 7-0 over Tarkio, 7-0 over Kansas City University, 7-0 over William Jewell, and 7-0 twice over Peru State Teachers. The other two wins were over Nebraska Wesleyan 5-2 and Graceland 6-1. Their only loss came at the hands of Omaha University 6-1 on April 24.

### Team Has Good Record

This hot net team is well ahead of their 1958 record of 6 wins and 3 losses. Last year at the conference meet the Bearcats placed third among a strong field of conference schools.

The first five men on the squad—John Bregin, Jack Freese, Bob Fairchild, Larry Piper and Duane Selser—have been working hard all season and have proved their capabilities. With the strength of these men and the strong coaching of Coach Grube, a first place finish at the conference meet looks very likely.

### Track Team Has 2-4 Record

The track team will go to the conference meet with a record of 2 wins and 4 losses in dual meets. Under the direction of Coach Paul Turner the team has been improving with each meet. In the Conference Indoor Meet at Columbia earlier in the season they finished in fifth place. They lost dual meets with Nebraska Wesleyan, Kirksville, Peru State, and Tarkio while winning over Graceland and William Jewell. They also finished second behind Tarkio at a triangular meet with Tarkio and Peru State.

Bob James and Roger Wake have been the top point getters for the Bearcats all season. Bob has been running the 100 yard dash, 220 yard low hurdles, 220 yard dash, and a leg on the 880 yard relay team. Roger is still undefeated in the broad jump, while also running the 100 yard dash, 220 yard dash, and a leg on the 880 yard relay team. Clifton Schmitt has been having trouble all year with his legs but should be in top form for the Conference Meet. He won the 120 yard high

hurdles with a time of 15.7 at the dual meet with William Jewell.

Other members on the squad who should prove tough are Bill Croy in the pole vault, Jim Clayton, George Weed, and Doyle Thomas in the field events, Gary Frueh in the mile run, William Currey and Sam Porter in the 880 yard run, Stewart Cline in the javelin throw, Ray Rouse in the two mile run and Allen Kearnes in the 440 yard dash.

## 'Cat Squad Faces Rugged Schedule

Head baseball coach, Mr. Marion Moss, is preparing the Bearcat squad for a lot of activity in completing their season's schedule. Five games are scheduled for the next week, three games at home and two away.

On Thursday, May 7, the 'Cats meet Nebraska Wesleyan here on the home diamond at 3:00 p.m. They play host to Rockhurst College in a double header on Tuesday, May 12, starting at 2:00 p.m., and on Friday, May 15, the squad travels to Warrensburg to meet the Mules in a double header.

The team now has a record of 7 wins and 2 losses as a result of their splitting a double header with Warrensburg 7-4, and 6-4, on May 1.

The whole team is looking good and Coach Moss is pleased with their play. The hitting on the squad has been going at a torrid pace. The Bearcat pitchers have been getting into the hair of the opponents in every game. It appears to be a well balanced team and they shouldn't have any trouble in the remainder of their schedule.

## Splish! Splash! Girls Take Breather

**SWIM CLUB MEMBERS . . .** These girls, left to right, Bobbie Walker, Sheri Harper, Linda Reaksecker, and Sheila Duncan are members of the Swim Club at Northwest Missouri State College. The Swim Show that was planned for this year was cancelled because of the delay on the completion of the new swimming pool but these girls still work out in order to stay in top form.

## Random Shots . . .

Northwest Missouri State can be proud of its spring sports this year, as the baseball and tennis teams boast very fine records, and the track thinclads are steadily improving and are holding their own now.

Larry Piper, the number four man on the tennis team is still undefeated. The future looks bright for Dr. Frank Grube. This year's team consists of three freshmen, one sophomore, and only one senior. John Bregin, Piper, and Duane Selser are the freshmen, Jack Freese is a sophomore, and Bob Fairchild is a senior.

Bob James and Roger Wake have had a lot to do with any success of the track team this spring. They always place, if not win, in three events, besides running on the relay team. They seem to take turns in winning the century dash. Congratulations are due to two fine competitors!
